You must be able to commit to the majority of the CoderDojo sessions to lock in a place. If there are too many applicants, students will be chosen on a 'first-come, first-serve basis". Students who miss out this time, will be prioritised for selection in Semester 2.

Return your completed form to the front office by the end of week 4, term 1. Ninjas will be advised if they are in the CoderDojo on Tuesday of week 5.
