Dear Parents and Caregivers

We have enjoyed a remarkably smooth start to the year with all students quickly adapting to the routines and expectations of their new classrooms with ease. Most children are coping very well with the change of structure to the internal day. The structure enables teachers to timetable two x 2 hour blocks to teach the essential foundations of literacy and numeracy in the morning. It also ensures all students receive their full time allocation in specialist subjects; music, drama, art, and PE.

At CPS we currently engaged in the collaborative planning and development phase of the school’s new Business Plan (BP) 2017-19. The BP will be responsive to the recommendations of the IPS external review report, survey feedback, the directions of the Department’s ‘High Care - High Performance’ strategic plan, and most importantly the academic, social, emotional and physical needs of all of our students.

‘The Churchlands Way’ is to engage, empower and excel. We grow successful students in an inclusive environment by adhering to the school agreements; take responsibility, follow instructions, respect everybody and everything and participate and aim to do your best. These agreements are supported by our ten essential social skills and learner dispositions. This information, along with curriculum outlines, timetables and specific classroom information will be explained in the context of your child’s year level at the parent teacher information evenings.

Congratulations to the year 6 leaders; School Councillors and Sports, Arts, Music, Drama, ICT and Care Captains who were selected to represent the student body for 2017. We look forward to working with them to develop their leadership skills while being engaged and responsive to the ‘student voice’ and the evolving needs of our student body.

The student leaders will be introduced to the school community and presented with their badges at the assembly, 2.00pm on Friday 24 February.

In-term swimming lessons begin next week for years 3-6 students at Bold Park Aquatic Centre. The lessons, an important component of the physical education program, will culminate with the year 3-6 House Swimming Carnival at Churchlands Senior High School pool starting at 9:30am on Wednesday 15 March. For further information and changes to the before school swimming training dates please see the PE news in this newsletter.

School Board Nominations
Nominations are now open for parent representatives on the CPS School Board. Two (2) vacancies for three year tenures are open to parents.
If you are interested in joining our progressive School Board; we meet twice per term at 6.30pm on a Monday evening in weeks 3 and 8. The Board is tasked with the governance and assists the Principal with setting strategic directions which best reflect the needs of our school. For more information or to nominate please email donna.snow@education.wa.edu.au
The School Board will meet Monday, 13 February at 6:30pm in the staffroom. Agenda items include: 2017 Budget, the school’s planned response to the 2016 NAPLAN data and the 2017-19 Business Plan vision.

Yours in learning

Donna Snow

2017 Student Leaders

STUDENT COUNCILLORS:

CAPTAINS:

MUSIC TEAM: Michelle Weng, Coco Boshard, Zoe Bayliss, Katelyn Browning, Indigo Sorensen, Tony Cheang, Sotiris Katsaitis, Tully Paul.

I.T. TEAM: Connor Mackinnon-Moir, Cooper Russell and Adam Massey

ART TEAM: Crystal Walker, Olga Nazarenko, Eamon Cooper, Jack Pintado, Sofia Prontera and Jasmine Poi.

CARE CAPTAINS: Isaac Keylock, Millie Wesley, Jonah Samuels, Kaden Barbitta

HOUSE CAPTAINS: Curtin – Rowan Collis and Stella Benzie-Drayton
                Cowan – Elias Alach and Martin Nguyen
                Forrest – Kody Katauskas and Madison Radalj
                Stirling – Casandra Knights and Aiden Russell

DRAMA CAPTAINS: Caitlyn Warry, Zachary Heaton, Niah Cauchi, Aryana Zare and Haimee Chudgar.
IMPORTANT! TERM CHARGES PROCEDURE
All term charges for term one were distributed to each student on the first day of term. Please take note of the following errors that have been picked up:

- **DO NOT** cut your forms – the **entire page MUST be returned to the class teacher** with ALL information completed
- **DO NOT** email your payment receipt or any information regarding term charges to the school or your teacher – it will **NOT** be accepted.
- Ensure **Student Reference** number is correct.

**ALL TERM 1 CHARGES ARE DUE BACK BY FRIDAY 10 FEBRUARY 2016** – If you have handed your payment form in stating you have paid via direct deposit but haven’t done so please do so immediately.

Parent Teacher Information Sessions

Please refer to your letter from the class teacher for the meeting details.

School Swimming Lessons

TERM 1 WEEK 3
To those parents of year 3-6 who have not returned their permission forms for swimming to be held at the start of next week. **Please bring these to school tomorrow** filled out and signed so your child can go to lessons. Swimming lessons are a normal part of the West Australian primary school curriculum

***Please remember to bring your bather and towel to school on Monday 13 February 2017.***
**RAINBOWS PROGRAM**
The Rainbows Program is back for 2017 commencing in term 2 going through to term 3.

Rainbows is a helpful supportive program designed especially for children who are living in single parent families, step-families or families that are going through painful transitions. Please go to www.churchlandsps.wa.edu.au. to download the permission slip form.

**CHRISTMAS DELIVERY!**
Student made hearts for PMH once again delivered for Christmas time!

Students gave up their play time to complete a soft heart for kids and their families at PMH. Robert Anderson, Head of Pastoral Care at PMH rang to say thank you and let us know the hearts have been made available for parents in the Chapel, and have also been delivered to kids on the wards. We made 24 all up and while not everyone is in the photo, it is a wonderful effort from all who participated. Students from across the years came in to sew this time, with many year 1’s and 2’s taking on this wonderful task.

Thank you to all!

---

**Health and Wellbeing**

We have had a great response to the call to provide your child with Crunch&Sip to assist them to remain focused throughout the day, particularly with the change to the internal structure of the school day. Here are some more ideas for keeping it fresh, healthy and interesting.
As we are all aware, we are preparing students for a vastly different future than exists today and yesterday. “We are currently preparing students for jobs that don’t yet exist . . . using technologies that haven’t been invented . . . in order to solve problems we don’t even know are problems yet.” At Churchlands Primary School we want to give our students strategies to think critically and creatively to effectively make decisions and solve problems when they are faced with challenges to which the answers are not immediately known.

This year we will be incorporating the language of ‘Habits of Mind’ into our school pedagogy. The Habits of Mind are a set of thinking strategies that can be explicitly taught to assist with problem solving.

In the following 16 newsletters one of the Habits of Mind will be explored in greater depth along with some discussion prompts that you can use to incorporate the associated language into your home.

The 16 Habits of Mind identified by Costa and Kallick include:

1. Purposely stick to it. Pursuing a goal through to completion, remaining focused, looking for ways to reach your goal when it looks like you aren’t going to make it.

2. Managing impatience.耐性の練習。Train to be patient.

3. Listening with understanding and empathy.理解と共感に耳を傾ける。Understanding others;

4. Thinking flexibly. 思いを広げる。Thinking about things in a different way.

5. Thinking about your thinking (metacognition). 思考の思考。Consider your own thoughts, strategies, limitations and their effects on others.

7. Questioning and problem posing. 問題を提起する。How do you know? Forming a question in an appropriate, meaningful way.

8. Applying past knowledge to new situations.新しい状況に適用する。Use what you know!

9. Thinking & communicating with clarity and precision. 理解と表現。Clear and accurate communication; broadening and simplifying complex ideas.

10. Gather data through all senses. 視覚と聴覚を通じて。Get your hands on it. Gather data through all the senses. Listen, look, touch, taste, smell and think.

11. Creating, imagining, and innovating. 想像力。Create new and unusual ideas. Throwing the rules out.

12. Responding with wonderment and awe. 意外さと感銘。Have fun! Falling in love with art!

15. Thinking interdependently. 合流する。Working together.

16. Remaining open to continuous learning. 学び続ける。Learning from experience.

In each class you will see posters relating to the Habits of Mind, if you are interested in printing one out at home you will find one here:

Visual Art

Congratulations and welcome Crystal Walker, Olga Nazarenko, Eamon Cooper, Jack Pintado, Sofia Prontera and Jasmine Poi to the Visual Arts Leadership team 2017.

(Badges will be given out at the first assembly.)
value and texture. Next, students layer on the ART PRINCIPLES of emphasis, movement, rhythm, balance, and proportion.

All that takes on a deeper relevance when we use art to explore the classroom curriculum, knowing that learning visually and kinesthetically makes for learning that is remembered and internalized.

**Gong Xi Fa Cai - The Year of the Fire Rooster**

2017 is the year of the tenth Chinese zodiac, the rooster. However, this is the Year of the Fire Rooster, and those born in 2017 are considered trustworthy and responsible. They are considered talkative, popular and loyal.

We can’t wait to see the imaginative creations from our budding young artists using the Fire Rooster zodiac to inspire their artwork while exploring the elements of art.

**Sculptures by the Sea**

13th Annual Cottesloe Exhibition | 3 – 20 March 2017

Sculpture by the Sea, Cottesloe is staged on the beautiful Cottesloe Beach, Western Australia. The exhibition is featured from the sea wall all the way along the sand towards North Cottesloe and on the surrounding grassed areas creating a beautiful sculpture park.

Check out the website http://sculpturebythesea.com/cottesloe/

**This year the year 4 classes are visiting the beach for a morning excursion on the 3 March.**

This term all classes will be exploring the ELEMENTS OF ART (colour, line, shape, texture and space) through sculpture. We will be looking at the artworks from the Australian and international artists exhibiting in this show and identifying the materials they used and messages conveyed.

I would encourage parents to take their children along to the Cottesloe beach to enjoy this unique exhibition at their own leisure. It is a magical environment for a family experience. Share fish and chips or a picnic, a swim and enjoy an ice cream while surrounded by international and Australian art works.

**Highlights from each grade level**

**Pre-primary** includes introduction to the ELEMENTS OF ART (colour, line, shape and texture) while exploring familiar shapes and personal experiences through painting, drawing and mixed media.

**Year 1** includes introduction to the ELEMENTS OF ART (colour, line, shape, texture and space) in 2D and 3D art works that tell familiar and personal stories through drawing, collage, colour mixing and printmaking.

**Year 2** includes ELEMENTS OF ART (developing ideas of space with overlapping and horizon lines), playing with tessellating and symmetrical shapes, exploring warm and cool colours and identify that artists make art to communicate messages and communicate ideas through drawing, collage, colour mixing and printmaking.

**Year 3** explores art from indigenous Australian and Asian cultures, learning about the ELEMENTS OF ART through photomontage, weaving, clay, printing, drawing and painting.

**Year 4** explores artworks from varying times and cultures, value (mixing of shades) and discover about how the ELEMENTS communicate specific messages and belief through photomontage, weaving, clay, printing, drawing and painting.

**Year 5** explores artworks from different artists and the ways they communicate ideas, beliefs and opinions, developing shading (create illusions of depth) and implied lines for movement and depth through digital imaging, sculpture, mixed media, printing, drawing and painting.

**Year 6** reflects on how ideas, feelings, beliefs and viewpoints are expressed within an artwork, look at one-point perspective, facial proportions and factors that influence artworks from different social, cultural and historical times, respond to how artists use symbolic meaning to communicate ideas and messages, plus factors that influence artworks from different social, cultural and historical times through digital imaging, sculpture, mixed media, printing, drawing and painting.

At the back of the art room are the specific goals for the particular topic, process and focus for each year level at the time. There are changes with the program throughout the year. Please come along and share with your children their art experiences.

**What to wear on art days???

Please help your children to be organized. All students should cover their uniform with an art shirt or an old large t-shirt or old business shirt during class. Some paints and other products stain even if they claim they’re “washable.”
Welcome to 2017 and I hope everyone had a wonderful summer break to refresh the body. There will be so much happening over the course of 2017 in terms of Physical Education so make sure you keep informed by reading our school newsletter.

**Important Dates for Term 1**
14 February – Running Club starts
15 March – House Swimming Carnival
5 April – Interschool Swimming Carnival

**Running Club**
Running Club happens every Wednesday over the whole school year and starts at 8am at the undercover area. Running club provides an opportunity for all students to increase their cardiovascular fitness while having some fun with their friends. It is a great way to get out and about on a Wednesday morning before school starts. The kids run laps around the school and for every lap they do they earn 10 points towards their house teams. Each week you will find children trying to improve their previous week’s score which is a great indication of the intrinsic motivation that many students have. Remember to put your mug/cup on the bench at the canteen before you start running so your Milo is ready for you when you finish.

**Swimming Training**
This year in the lead up to our Swimming Carnival on Wednesday 15 March, training sessions will be held at **Bold Park Pool at 7am on Monday and Tuesday of weeks 5 and 6**. Any parents who may be able to help out during these training times, please contact me on email at michael.marshall@education.wa.edu.au.

With the increased student numbers in Year 3 – 6 child safety is paramount when it comes to the organisation of the 2017 House Swimming Carnival. After consultation with the swimming teachers at Bold Park we have made the decision that only children in **swimming level 5 and above** will participate in the stroke events and children in level 4 and below will participate in the novelty events. If you have any questions about this matter, please contact me on email at michael.marshall@education.wa.edu.au.

The year 3-6 House Swimming Carnival at Churchlands Senior High School pool starting at **9:30am on Wednesday 15 March**.

Students in swimming levels 1-4 at the completion of the 2017 in-term swimming program will participate in novelty events with swimming aids such as kickboards and noodles.

Students in levels 5 and above will participate in stroke races and will be placed in divisions according to their ability and time.

This year, in readiness for the House Swimming Carnival, we are trialling before school swimming training 7am – 7:45am at Bold Park pool: The children will be changed and **ready to be collected by parents at 8am**.

**Week 5**:
Monday 27 and Tuesday 28 February

**Week 6**:
Tuesday 7 March

**Week 7**: Monday 13 March (a change due to Monday 6 March being a Public Holiday)

Please note:

a) Swimmers need to return slips Mr Marshall if they are attending for booking purposes.

b) Swimmers will be transported to and from the pool by their parents or guardians.
**Silent disco**

To kick things off with real life music and excitement, this week the music room has been transformed into a silent disco club, complete with 30 wireless headphones and 3 DJ consoles for kids to operate. Every class will be having a disco for some of their lesson. If you require any more information about this great musical experience, see Mr Howesmith.

**IMSS instrument allocations**

**Final offers** for the Instrumental Music School Services program (formerly known as SIM) have gone out this week and we are ready for a new start for all the children beginning and continuing instruments. Please be prompt in handing back the acceptance letters, especially if you have decided not to take an instrument, as reserves will need to be followed up.

**Timetables are up on the music room door** regarding times and days for everybody; please look after your group and remind each other to be prepared on the day, arrive promptly for your lesson with all equipment needed, and get back to class just as fast!

**Loan agreements and Resource charges** will be distributed shortly.

**If you are having issues** of any kind, please approach Mr Howesmith or your teacher ASAP – don’t wait to see what happens next (usually nothing…)

If you are wondering about the music program here at Churchlands, you will have a chance to get information and ask questions at a **Parents and Friends of Music** open meeting, being held soon. Also, feel free to drop by the music room before or after school any day.

**VOICE Senior Choir, CPS String Orchestra and HOTNOTES**

This year, **VOICE is being held on Tuesdays** before school, **String Orchestra is Wednesday** and **Friday is HOTNOTES**. RazzamaSING Choir for juniors may have another season in term 3. Signup sheets for VOICE will be out shortly and all members will be required to audition again, both year 5 and 6. HOTNOTES auditions will also be held soon – music team members will give you more information. String Orchestra commences in week 3 with Mrs Person - you know who you are!

**Music Team 2017**

A big thank you to all the year 6’s who applied for leadership positions. Over 30 children applied for the music positions. I would like to stress the point that Churchlands has an enormous wealth of musical skill and those children unsuccessful in joining the team, or any other leadership group, are vital to the successful continuation of CPS’s musical journey and will have an amazing year, full of challenges and successes. Please step up with ideas, queries, ask for help whenever you need it and take the initiative when you know something needs to be done.

2017 **Music Team** members are Coco Boshard, Michelle Weng, Tony Cheang, Sotiris Katsaitis, Zoe Bayliss, Katelyn Browning, Tully Paul, and Indigo Sorensen.

Michael Howesmith - Music Specialist

P&C News

2017 AGM - 7:30pm, Tuesday 21 February in the library.

The Welcome Picnic has been rescheduled to 4.30 - 8 pm on Friday, 17 February due to the poor weather forecast. This will be a wonderful way to start the new school year and say welcome to both new and returning families. There will be rides for the children and live music. So bring down a picnic dinner and refreshments or buy your meal from the food vans available and enjoy the chance to catch up with all your friends.

Before School Tennis

at Churchlands PS Term 1 2017

The coaching staff at Coastal Tennis will now be running the popular before-school tennis classes at Churchlands Primary School through Term 1. Coastal Tennis head coach Nick Kirkbride has been at City Beach Tennis Club for 15 years and will continue to hire coaches used previously at the school.

The lessons run for 8 weeks and start in week 2 of term. The total cost for the lessons is $95, payment details will be given once your enrolment has been accepted. Enrol by visiting www.coastaltennis.com.au and click on the school tab.

Please contact Nick at coaching@coastaltennis.com.au if you need any more information.
