Dear Parents and Caregivers

It has been a celebration of the Arts at Churchlands Primary throughout the past fortnight. The GlitterArty event was a fantastic success! Many people enjoyed viewing the gallery and participated in the activities on offer on Saturday 5 November. Thank you all who supported our students, Mrs Cockerill and the P&C ensuring the objectives were achieved.

Not to be outdone, Mr Howesmith and the music captains past and present presented an outstanding Big Music Night. The quality and talent showcased was simply brilliant! The Hale School Hall was filled with family and friends who all were amazed at the professionalism and flexibility of our music students. Thank you to the Friends of Music parent committee who provided a scrumptious supper.

Last night Mrs Idle’s year 6 Drama students entertained us and their parents with Theatre Sports. A lively and energetic evening where excellent skills were on display and was enjoyed by all! Feedback included the notable increase in confidence; verbal and non-verbal since the introduction of the drama program this year that was on display amongst the wide range of students. Congratulations to room 12; the winners of the inaugural Theatre Sports event.

PP- Year 6 Christmas Concert and Book Prize Evening: 5.45pm Tuesday, 6 December. We invite you to join us for the Christmas Concert! The Pre-primary to year 5 students will be performing numerous Christmas Carols, the year 1-5 book prize recipients will be announced and Voice Senior Choir will perform. Please be reminded to bring your chairs and refreshments and get ready to farewell the 2016 school year.

Upon reflecting on what has been achieved in last twelve months, overwhelmingly ‘The Churchlands Way’; underpinned by Engage, Empower, Excel, and supported by whole school agreements, essential social skills and expected learner dispositions have guided us to grow students in an inclusive school environment.

As we develop the Business Plan 2017-19, we must harness this growth mindset in order to transition into the new focus areas of the curriculum; Critical and Creative Thinking, Digital Technology, Science, Technology, Engineering, Art, Mathematics (STEAM) and Optimal Wellbeing.

To the left-hand side is a snapshot for your ready reference!

Yours in learning

Donna Snow
Congratulations to the following students who were awarded Merit Certificates at our recent assembly and to be awarded on Friday.

Aussie of the Month

November 2016

**Toby de Morton**
Toby is an exceptionally thoughtful and dependable student whose kindness shines through every day. His behaviour in the classroom and playground is exemplary, making him a positive role model for others. Toby always tries his best when participating in classroom and whole school activities. His friendly nature, helpful attitude and ability to consider the needs of others have made him an invaluable member of our classroom. Well done Toby, you are a superstar!

**Luc Paparde**
Our Room 9 Aussie of the Month as nominated and voted for by his classmates is... Luc Paparde! Luc is congratulated for his commitment to combating litter at CPS through his Genius Hour Project. His initiative demonstrates pride in his school, concern for the environment and contribution to his community. Well done Luc and thanks for inspiring us to be part of the solution!

**OUR CANTEEN IS A WINNER!**

Did you know that only 1 in 6 primary school aged children in Western Australia eats enough vegetables? Crunch&Sip joined forces with the WA Schools Canteen Association Inc. (WASCA) to have the 2016 Canteen Veg-EAT-able Competition. Anna Prosper, our dedicated canteen manager, described her efforts to encourage our Churchlands children to happily eat more fruit and vegetables and won first prize of $250 to be spent on something for the kitchen – Anna chose a large pot!

Congratulations Anna!
Now Open For Applications

The Department of Education coordinates a range of student scholarships, grants and prizes to meet some of the costs of secondary schooling. Nine scholarships are now open for applications through the Department’s website.

Scholarships in this release are available for studies in all years of secondary school, with most open to students currently completing Year 10 who intend to go on to complete the WACE. However, the two scholarships below target a broader range of applicants and aspirations, and I encourage you to consider whether students completing Year 6, 7, 8 or 9 this year at your school would be eligible:

- **James and Rose Coombe Scholarships** for regional and remote students. Several of these scholarships are available each year and successful applicants can reapply in subsequent years. The funding amount starts at $1,000.

- **Maud Zervos Education Grants** for students with a parent/caregiver who has a disability. A ‘rollover clause’ in this scholarship makes funding available for each year of secondary study, subject to satisfactory attendance and progress. The funding amount starts at $750 in lower secondary and rises to $1,000 for upper secondary studies.

Applications close for both of these scholarships at **5.30pm on Monday, 12 December 2016.** (Note that the closing dates vary for some of the other published scholarships)

Scholarship eligibility criteria and information on how to apply can be found on the Department’s [scholarships webpage](#).

**Year 7 GATE Programs - 2018**

**Gifted and talented secondary selective entrance programs:**

**Applications for Year 7 in 2018 now open.**

In our commitment to high performance and high care, it is important to challenge students to achieve their very best. Gifted and Talented Secondary Selective Entrance Programs.

These academic, arts and languages programs provide challenging and highly motivating learning opportunities for students with exceptional academic ability and creative talent.

Applications must be made online at [www.education.wa.edu.au/giftedandtalented](http://www.education.wa.edu.au/giftedandtalented). Parents can visit the website for more information or contact the Gifted and Talented Selection Unit on 9264 4307 or gtsu@education.wa.edu.au.

**Applications close Monday 6 February 2017 – Late applications are not accepted.**

Jump Rope for Heart

Our school is participating in the Heart Foundation Jump Rope for Heart program and we would love your support!

Heart Foundation Jump Rope for Heart is an exciting and non-competitive program which encourages children to become more active through skipping, learning new skills and raising vital funds for heart research and community health programs.

Skipping is an excellent way for children to keep fit and healthy. Over the next few weeks, your child(ren) will be learning a range of fun skipping skills and new tricks. We will emphasise the importance of regular physical activity and the importance of healthy eating for a healthy lifestyle.

Jump Rope for Heart is also a great way to encourage children to get involved in our community and support Australia’s leading heart health charity, the Heart Foundation. The Jump Rope team provides us with lots of resources and support to implement the program and in return we ask that students help by seeking sponsorship for their involvement.

At the end of the program we will be holding a Jump Off, an event to celebrate and culminate the Heart Foundation Jump Rope for Heart program. This will be held on Friday 9 December. The Jump Off day is a great opportunity for you to witness how much fun skipping can be, come along and pick up a rope!

We really appreciate your encouragement and support.

Running Club

A reminder to all those new students at Churchlands PS

With the warmer weather fast upon as it is very important that children apply sunscreen prior to coming to running club. A lot of kids run with their hats off and even early in the morning children are still at risk. We love the great numbers that we are getting each Wednesday morning.

Running Club is a great way to get the kids out and about on a Wednesday morning before school. The kids run laps around the school and for every lap they do they earn 10 points towards their faction teams. We meet in the undercover area at 8am and we encourage all parents to join in. Remember to put your mug/cup on the bench at the canteen before you start running so your milo is ready for you when you finish.

Sporting Schools – After School Sports

Block 2 for our Sporting Schools Program has started this week. Remember that all those participating need to meet up in the undercover area for an afternoon snack and for attendance straight after school. If your child is booked in for after school care you need to let them that your child will be participating in the program for the next 4 weeks.

There are still spots available in block 2, details are as follows;

Starting week 6 and finishing in week 9, basketball, every Tuesday starting 15 November and finishing 6 December. Gymnastics will take place every Thursday, starting tomorrow 17 November and finishing 8 December.

The Music Review

The Big Music Night

Well done to all 110 performers who attended the BMN last week!. It was a huge success, with a sold out concert hall; stand out performances across the board excellent behind the scenes help from staff and past students, amazing feedback and a very tired but happy Mr Howesmith to top it all off. Stay tuned as next year is the 10th BMN for Mr H and he promises a spectacular!
(Any good quality photos please feel free to drop a USB off to Mr H)

Combined Arts Assembly Friday
Come along to the Arts Assembly this Friday and see a selection of the BMN stand out performances, Razzama-SING! Junior Choir as well as some dramatic moments from Mrs Idle’s crew and some visual art to top it all off!

School of Instrumental Music news
Currently children in shortlists are meeting with SIM teachers, who test them and rank them for the selection process, including selecting reserves.

If you are in a shortlist and called upon to meet the SIM teacher, you may then receive an expression of interest letter, inviting you to say ‘YES’ you would take the place, if offered next year in week 1 of term 1. If you are not able to take the position please respond immediately with ‘NO’, so someone further down the reserve list can receive an expression of interest letter instead.

There are then meetings you can attend in week 8, run by the SIM staff to further inform parents about the program, and finally a waiting period, before the offers go out in week 1 of term 1 next year, due to new enrolled children in 2107 being required to be tested.

Any questions please email or drop in.

ORIENTATION DAY
29 November 2016
INVITATION

Dear Parents/Guardians of Year 6 Students,

To enable your child to make a happy and comfortable transition to high school, John Forrest Secondary College cordially invites you to attend an Orientation Day to be held on Tuesday 29 November 2016. Students will have a full day program commencing 9:30 for 9:45am and finishing at 3:00pm.

We are keen for you, as parents, to attend the first session. You are welcome to participate in a college tour at 9:15am concluding with a morning tea.

During the day we hope to answer many of your questions about high school and to familiarise the students with staff and facilities. If your child is unable to attend please phone the college so that alternative arrangements can be made.

We would like all new students and their parents to feel welcome at our college and look forward to meeting you on Orientation Day. Please contact Donna Franklin (T: 9473 4000V E: donna.franklin@education.wa.edu.au) if you have any queries regarding Orientation Day.

What’s a Young Engineers Club?

We are starting a new Young Engineers club at Churchlands Primary School in term 1. Young Engineers is an after-school club that ignites a student’s passion for science, technology, engineering and mathematics (STEM) through the use of LEGO®. Weekly sessions incorporate demonstrating scientific concepts and building/playing with a motorised LEGO® model linked to those concepts.

Limited to 16 students (year 2-4). Register online now: https://www.sugarbooking.com/F2117

Young Engineers club is operated by a Young Engineers Perth, complying with Working With Children Check, Insurance and other Department of Education requirements.

Surf Survival School Holiday Program

This exciting six day school holiday program teaches participants 7 to 13 years vital coastal recreation skills ranging from awareness of the beach environment and safety right through to obtaining an accredited Surf Rescue Certificate.

Learning to swim is a primary skill for safe aquatic recreation however the ability to swim is not synonymous with constant swimming competence with constant changing risks that even the most competent swimmer may find challenging without additional surf knowledge and skills.

Adapted from Surf Lifesaving WA’s Nippers Program, participants will gain a state of what being a nipper is all about including gaining confidence in the surf and using ‘rider’ boards and rescue tubes.

Surf Survival offers participants four skill-based levels of learning:

- Level 1: Surf Aware: 8.30 – 9.30am
- Level 2: Surf Skill: 9.45 – 10.45am
- Level 3: Surf Wise: 10:50am – 12:30pm
- Level 4: Surf Rescue: 12:30 – 2:00pm

Participants must be at least 7 years old by 1 January 2017.

Dates: Weekdays from 11 – 18 January 2017

Locations: Algomas, Sorrentos, Mullaloo and Leighton Beach

Cost: $100 per person
(Level 4: Surf Rescue $50 extra per person)
