The Magic Shoe

The sound of dogs barking echoed around the sewers, once again Luke was running from the police dogs with his cat, Twinkie along side him, the splashing of greenish water didn't help him, but he had to keep running. He had taken two small salmon from the markets without paying, 'it's just two fish!' He thought 'what's the big deal?' It seemed that every day got worse for that poor boy and his cat.

He darted home through the long, thin, winding pipes, as he had an advantage knowing the sewers so well. He rushed up a ladder and ran through the dusty, familiar streets he had wandered through many times, all the way to his home in a huge hollow tree. " aaaah home sweet home " Luke panted, tired from running, Twinkie meowed, " yes, yes I'm getting it " and he gave Twinkie the largest of the fish, cooked his and ate it.

Luke and Twinkie were on their way to the market, when an ancient, old man came out of an ally way, " hello young man " he said with a foreign accent, " what are you doing wandering these streets alone? " " I-I was j-just heading to th-the m-m-market " Luke replied slightly afraid, the man nodded along with this response, " hmmm take this shoe, put it on and all your needs will be fulfilled. But be careful, don't go too far in " the old man said, then he wandered off.

'Wow that was weird' Luke thought 'well let's put this shoe on!' It was an old and grimy hiking boot with dirt all through it. A wurring sound filled the air, surprisingly no one was looking at him, he was invisible! The scenery change from dusty, cobble streets to a grass covered land with all the food and money he could imagine, " wow! " He and Twinkie looked at each other in surprise, then they started running around, eating and collecting as much as they could.

Suddenly, from behind a tree a huge, green, hideous monster appeared shadowing the whole area, and said, " if you wish to take more you must fight me, the mighty GOLLIGOTTER! " " Wow weird name! " Luke stated, " take me seriously! " it cried annoyed " or never see you precious home again! " " Ok game on! " Luke accepted the challenge, grabbed a diamond sword and fought, like he had never fought before, he swiped at the golligotter and the golligotter swiped at him. Twinkie jumped on it and then, without warning Luke swiped so hard the sword cut through the neck of the horrific thing, and it fell to the ground, lifeless.

Luke ran round looking for a way home, he found a door labeled portal but it was locked, he had to find a key! He look and looked but could not find it. MEOW! Twinkie was looking at a silver shining thing in a pumkin patch, Luke grabbed it open the portal door and walked through, with all the food and riches he could imagine. The sight of home streets and old shops had never felt so welcoming.
