

Dear Parents,

The school photo orders have been distributed to all classes and you should have received your orders home. Please note the following:

- Magnetic photo frames and additional prints are slotted between the prints of your package.
- Sibling photos (if applicable to your school) are delivered to the eldest child and placed inside their photo package as additional prints if applicable.
- Digital negative orders will be sent to your email address supplied within 3-5 days of the school photo delivery. Don't forget to check your junk mail folders.
- You are still able to place additional orders via the Kapture website including orders for sports, music or special group photos taken on school photo day. Use the same school code as previously supplied.

If you ordered photos more than 10 days after photo day, your order will be handled separately and mailed directly to your home address within the next 28 days. Check your confirmation email for more information.

Kind regards

The Kapture Crew
