

Churchlands Primary School

Lego Masters Competition!

Calling all Lego experts and Engineers!

Churchlands Primary School is holding its very own ***Lego Masters!*** Projects are to be completed at home and then brought to school on Friday August 23rd, Week 5 during Science week. There will be two categories that you can choose to enter.

Category One– Stop Motion Animation

Create Lego World and using Stop Motion Animation to tell us an exciting story or teach us something really interesting. The Stop Motion App is a great tool to help you with the process. You will be judged on:

- Creativity (ideas and Lego world)
- Storyline
- The way you manipulate the objects over several frames

For some inspiration visit the link below:

Category Two– Lego Tools

Create a useful tool out of Lego to help make a humans life just a little bit easier! You will be judged on:

- Originality
- Usefulness
- Complexity

There are some ideas listed at the link below but originality is important.
