Principal's Message - Kim Fraser

What an incredible couple of weeks it has been!

We kicked things off with the **Keen2STEAM Challenge** at Churchlands Senior High School, where 13 schools from our network participated. A huge congratulations to Churchlands PS for taking home the overall win! A big thank you to Mr. Johnson, Mrs. Morgan, and Ms. Chia for making this event a success, and to Mr. Bruce Webber from CSIRO for his ongoing support. We're also grateful to Dr. Grant Pusey from CSHS for hosting the event and providing such fantastic support.

Next, **Sculptures by the School** was a fantastic showcase of our students' creativity! We have some truly talented young artists — and maybe a few talented parents too! A special thank you to Mrs Cockerill for making this event possible and for all the behind-the-scenes effort she put into it.

Harmony Week was another highlight, with a wonderful collaboration between the EALD and the French Club. The theme, *Perles d'Harmonie* (Harmony Beads), beautifully reflected our values of unity and belonging. Just like pearls, each person is unique and precious, and together, we

create a strong and unified community. Thank you to Mrs. Key (EALD) and Madame Lecky (French) for organizing this special event.

Lastly, **Kindergarten and Pre-Primary 2026 enrolments** will open in **Week 3 of Term 2 (May 12th),** and paperwork can be submitted to the administration office. Detailed information is available on our website or information on the Education Department website. If you know of any new families in our community who might be unfamiliar with the enrolment process, please pass this information along. Enrolments

Thanks for being a part of our amazing community!

CPS ANZAC Ceremony

The CPS ANZAC Ceremony will be held on Friday, April 11, at 1:50pm on the basketball court outside the undercover area. This important event is a time for our school community to come together in remembrance and respect.

Flower Donations & Wreath Assembly

Following CPS tradition, each class from Pre-Primary to Year 6 will present a wreath during the assembly, alongside Mrs. Fraser and other invited dignitaries. To help create these wreaths, we kindly ask families to donate foliage and flowers and for a couple of volunteers from each class to assist with assembly on the morning of the event.

What's Happening in the Art Studio

Wow! Just wow. I still can't believe yesterday actually happened. Exhausted doesn't even begin to cover it- but my heart is full.

So proud of the class work and how the students installed their work around the school grounds. I couldn't have pulled it together without the incredible support of our community, all the Churchland staff, families and especially the students. Click here, to continue reading.
