Principal's Message - Kim Fraser

We have one week to go!!! Can't believe that we are halfway through the year!

We have had another super busy term with the students participating in some exciting events…… Interschool Cross Country, CHUMT show auditions, WAGSMS concert performance, attending Noongar Language workshop, Yirra Yaakin performance…and the fun continues next week with the Edudance concert #2, CHUMT show finale, Tour De France fun activity and giving Mrs Samsa an amazing sendoff assembly on Friday.

I attended the WA Government Schools Makes Music (WAGSMS) on Wednesday night at the Crown. The Churchlands PS choir were incredible! They were certainly a standout. Huge applause to all the students who participated and especially to Mr Howesmith for his exceptional musical mastery. A big thank you also to Mr J for supporting on the night and to all the volunteer parents. What an amazing community team we have.

We'd like to remind our community that, in line with CPS policy, **dogs are not permitted** on school grounds. This decision is based on several important considerations. We

have had incidents where dogs have reacted unpredictably around children, and for some of our neurodiverse students, the presence of dogs can significantly increase anxiety. We also want to ensure the wellbeing of the dogs, who may become overwhelmed in a busy school environment. We appreciate your support in keeping our school a safe and an inclusive space for all students.

Additionally, we've seen a growing number of dogs off-leash on the school oval before and after school which has caused a **significant increase of dog waste** not being picked up by dog owners. Unfortunately, children have stepped and sat in it and brought it into classrooms, which poses a serious health risk. We have also had issues with dog owners allowing their dogs to drink out of the children's drink fountains! Your support in helping us spread the message to the community to collect their dogs waste and use our school with respect would be greatly appreciated. We are a school not a public open space.

The **extension to the undercover area** will be done mostly during the school holidays. The area has been cordoned off and the limestone has arrived. All the paving, including the name pavers, that are in situ now will be reused for the flat section of the extension. We are excited to be able to use this area to support our school functions.

Again, thank you to all the parents who took the time to complete the **Communication Survey**. The overall the results were very positive. The use of the current 3 platforms for communication 1. Seesaw for all class comms 2. Audiri for operational 3. Newsletter/Webpage - suitably target various areas and target audiences. As per the feedback the future will see Seesaw and the Newsletter stay and with excursion paperwork go through Compass streamlining this process.

Interschool Cross Country Results and other PE News

What a day! Our amazing Year 3–6 students took to the track at the Interschool Cross Country Carnival with determination, energy, and unstoppable spirit!

From the very first race to the final finish line, our runners gave it their all—pacing themselves, pushing through the tough parts, and showing incredible sportsmanship along the way. Whether they were sprinting up hills, cheering on their teammates, or digging deep to finish strong, every student showed what it means to be part of the Churchlands team.
