Churchlands Primary School
Board Members 2026

Name: Kim Fraser. BA. B.ED. (Murdoch University)

Master of School Leadership (UWA)

Role: Principal

Profession: Educational Leader

Name: Bailey Love

Board Role: Chair

Profession: Management

Children attending CPS: Caroline

Board member since: 2022 re-elected 2025

My name is Bailey Love. ! am 43 years old and employed in Construction Management. I hold an MBA from University of WA with specialisation in Strategic Management & Organisational Change, I have another child in a different public school in the local area and have also been engaged on the School Board as both member and Chair. As the Chair, the Board was heavily involved in assisting and guiding the school through the onset and aftermath of COVID-19. I am the guardian of Caroline in Year 1 and I am incredibly impressed with Churchlands Primary School and the positive impact the school have made in Caroline.
Due to my previous school Board involvement, I bring along experience in the public school system, reviewing and addressing NAPLAN data, assisting with the school's Business Plan and representing the school at the school's performance reviews undertaken by the Department of Education. Other duties involved reviewing and endorsing policies, endorsing budgets and working on gaols to better connect the school with the local community. I am hoping that I can provide positive contributions for future strategies and direction for the next generation of students.

Churchlands Primary School
Board Members 2026

Name: Rosie Kimble
Board Role: Parent Member
Profession: Teacher – Shenton College
Number of Children in the family attending CPS: Olivia and Harriet
Board member since: 2024

I am currently working in Student Services at Shenton College as a Learning Skills Adviser to Yr 11/12, supporting students at educational risk and students with learning disabilities. I have worked in education for almost 15 years in various roles and schools, starting out as an English teacher. I have a broad understanding of curriculum, gifted and talented education, ATAR and vocational education pathways. I also work in teacher development and have developed quality teaching strategy programs. I could bring a unique perspective to the school board with my understandings of the high school education system, strategy and business planning, as well as school and statewide policy and procedures. I would love to support and contribute to our school community as part of the school board, particularly in continuing to promote a holistic approach to education that nurtures student wellbeing as well as academic performance.

My two daughters Olivia and Harriet are currently enrolled at the school in Yr 2 and Kindy. I am grateful to the Churchlands Primary School staff and community, and how much they have supported both of my children to be the best that they can be. Both of them bounce to school every day excited to see their friends and their teachers! When we're not at school, you'll find our family at the beach. I'm a long-time member at City of Perth SLSC and assist in running the nipper program there.

Name: Ruslan Garapov
Board Role: Parent Member
Profession: Finance
Children attending CPS: Mila
Board member since: 2025

My professional background spans over ten years in strategic and financial roles at global organisations such as Shell, McKinsey & Company, and Chevron. I have worked on major investment decisions and solved complex strategic and operational problems. Academically, I hold an MBA from the University of Western Australia and dual Bachelor of Science degrees in Economics and Mathematics from Arizona State University. In addition to my professional and academic experience, I have a strong personal commitment to discipline and perseverance, shaped by my background in competitive swimming. I am passionate about education and quality decision making, and I would love to contribute my skills to help the school navigate planning, budgeting, and long-term strategy. I enjoy working with others to solve complex problems and make informed decisions, and I believe these qualities - along with my experience in mentoring and cross-cultural collaboration - can add value to the Board

Churchlands Primary School
Board Members 2026

Name: Wian Oosthuizen
Board Role: Parent Member
Profession: Finance/Governance
Children attending CPS : Sebastian and Quinn
Board member since: 2025

I am a Chartered Accountant with over 20 years' experience in government audit and assurance, currently serving as Assistant Auditor General for WA. I advise on accounting, auditing, and governance, and contribute to strategic planning, budgeting, performance monitoring, and policy review as part of the Executive Management Group. My leadership and financial expertise support sound decision-making and accountability.

As a parent of two children at Churchlands Primary (Sebastian in Year 3 and Quinn in Year 1), I've been actively involved since 2021 as a DUCKS member and class representative. We've felt deeply welcomed by the school community and built lasting connections. I'm passionate about contributing to the Board, bringing professional strengths in governance and oversight alongside a personal commitment to helping the school remain inclusive, well-run, and future-focused

Name: Aline Barrabes
Board Role: Parent Member
Profession: Geology and Sustainable Development Management
Children attending CPS : Nina and Basile
Board member since:

I am Aline Barrabes, mum of Nina Belotti (Year 5, Room 10) and Basile Belotti

(Year 2, Room 4), and our family has been part of the CPS community since 2020. I grew up in France, where I completed my studies before moving to Australia 15 years ago. I hold two Master's degrees in Geology and Sustainable Development Management. I currently work as a Lead Hydrogeologist at Fortescue, where I have held a range of roles over the past 15 years. My experience includes hydrogeology drilling operations on site, strategic planning across short- and long-term horizons, and more recently a water governance role centred on sustainability and regulatory compliance.

Over the past six years at CPS, I have seen firsthand how the school's values are reflected in the children who grow into responsible, curious, and caring young people. The children truly thrive in such a supportive and inspiring environment; ensuring that future generations of students can continue to benefit from this exceptional community is something I deeply value. Through my professional experience and personal background, I believe I can make a positive contribution to the CPS Board. I would welcome the opportunity to bring my skills, perspective, and commitment to help shape the school's long-term direction and support CPS in continuing to be the wonderful place it is today.
